

ENVOY 500 SERIES REAGENT AND SUPPLY LIST

Reagents

Albumin	55225
Alkaline Phosphatase	55230
ALT	55215
Amylase	55245
AST	55250
Bilirubin, Direct	55260
Bilirubin, Total	55270
BUN	55445
Calcium	55287
Cholesterol	55297
CPK	55327
Creatinine	55335
GGT	55352
Glucose	55345
HDL Cholesterol	55301
Hemoglobin A1c	55365
Iron	55360
LDH	55395
LDL Cholesterol	55310
Lipase	LPSL-0850
Magnesium	55400
Phosphorus	55415
Protein, Total	55425
Triglycerides	55435
Uric Acid	55450

System Solutions

Reagent Grade Water	296-004
Rinse Solution Kit	55151
Rinse Surfactant Bulk Kit	55100
Rinse Solution Concentrate (10 pack)	55105
Wash Solution (#40 Basic Solution)	55152

Calibrators & Controls

Serum Calibrator Kit	55111
Hemoglobin A1c Calibrator	55120
ISE Calibrator	55117
HDL Calibrator	55119
LDL Calibrator	55115
ELICal2 (Lipase use)	CALI-0580
Serum Control Kit	55131
Hemoglobin A1c Control	55136
ELITrol I (Lipase use)	CONT-0080
ELITrol II (Lipase use)	CONT-0180

Electrodes

* Sodium (12 month warranty)	278-001
* Potassium (3 month warranty)	279-001
* Chloride (3 month warranty)	280-001
* CO2 (3 month warranty)	275-001
* Reference (12 month warranty)	273-001
Ground	6003-0705
ByPass	276-001

ISE Reagents

ISE Baseline	55381
ISE Cleaner	55154
ISE Conditioner	55153
ISE Diluent	55380
ISE Reference	55382

Misc. Supplies

Reagent Boats (50mL)	CEVY-5020
Reagent Bottles (13mL)	CEVY-1320
Sample Cups	55610
Vol. Pipette 1ml Class A	235-001
Vol. Pipette 5ml Class A	237-001
USB flash drive	950-057

Spare Parts / Accessories

* Chloride Cleaning Tool	431-001
Fuse (8T)	56160
Fuse (0.5T)	56161
* Halogen Lamp	211-001
* Peristaltic Pump Cartridge Kit	56131
Reference Cap & Straw Assembly	56151A
* Sampling Needle Kit	56120
* Sampling Needle Tool	56165
* Syringe with Tip to clean ISE	254-002
Water Container Filter Kit	56126

Tubing Kits

* Envoy Maintenance Kit	56145
* ISE Cup to Electrode Kit	56124
* ISE Ground ByPass Kit	56127
* Reference Pump Tubing	56152
* Waste Pump Tubing	56153

Products denoted with '' are considered critical components for the continued operation of your Envoy 500.*

The Laboratory must maintain an adequate reserve supply of these products at all times.
